SPECIAL REMINDERS:

About Guide Service:
1. Guide service commences at the start of the tour. Guide service fee is not included during the additional accommodation excluded in the itinerary, free-time activities period, as well as on a tour-included train or other regular transportation.
2. There are circumstance where our guides cannot provide commentary outside the bus due to local regulations in some cities. Thus the guides will provide you with tour information as reference during your free time before you leave the bus.

About Luggage:
Due to limited luggage compartment space on tour buses, each passenger may carry only one piece of checked luggage (not exceeding 30 kg in weight or 158 cm in total dimensions). Should you carry more than one piece, the driver reserves the right to refuse storage. If sufficient space remains available, a handling fee of 5€ per piece per day will be charged for each additional item. We apologize for any inconvenience this may cause. Thanks for your understanding!

About Hotel:
1. Check-in and check-out times vary by hotels. However, check-in time for most hotels is usually 2 pm or 3 pm. Please present your tour voucher at the hotel reception when you check in. Check-out time for most hotels is usually 10 am.
2. We cannot guarantee that all hotels offer a double room with a king-size bed. In some hotels, a twin room usually consists of one large bed and a sofa bed/or extra bed.
3. We cannot guarantee you the hotel for your extended-stay will be the same the group hotel. It will be confirmed as the date approaches.
4. Breakfast is provided in all European hotels, typically offered as a simple continental one; (continental breakfast usually includes coffee or tea, juice, bread, and jam)
5. European hotels have smaller room sizes and offer fewer extensive facilities and services than those in Asia and North America. Guests are suggested to bring their own toiletries.
6. Due to the large day-and-night temperature difference, the total days with temperature exceeding 30 degrees Celsius are less than 2 months, and strong environmental awareness across European countries, some European hotels do not provide air conditioning, which does not indicate substandard facilities. We kindly ask for your understanding.

Airport Transfer Service Notes:
1. The airport transfer services are provided as group services. Drivers are only responsible for the transfers between airports and group hotels.
2. Guests who have booked the transfer service should confirm if the information (name and phone number) on the voucher is correct and if the phone number is roaming-enabled in Europe.
3. After the arrival of guests' flights, it takes 30-45 minutes to collect luggage and clear customs. The driver will arrive at the airport 30 minutes after the guests' arrival.
4. If you are aware of any flight delays, changes, or cancellations, please notify the contact person on your voucher. We will try our best to make an adjustment for the transfer service. However, there is no guarantee that it can be changed, and if it cannot be changed, the fees will be refunded. Guests should claim compensation from the airline. If you request any assistance after your arrival, please contact us via our emergency hotline.
5. The driver waits up to 90 minutes after the flight's arrival. The driver will bear no responsibility for leaving if the waiting time exceeds 90 minutes. If guests request the return of the driver for the pick-up service, they will be charged again. In the event of a temporary delay by the airline resulting in a delay in notifying the driver, guests will not be refunded and should claim compensation from the airline.
6. The drop-off service will be arranged 4 hours ahead of flight departure time to avoid missing the flight. In the event of traffic jams or any uncontrollable situation during the drop-off service, we will try our best to assist our guests but will not be liable for failing to take the flight in time.
